Introduction

1. This policy sets out the legal framework, the definitions and our policy expectations.
2. The L.E.A.D. Academy Trust requires this policy to be implemented by all its member academies.
3. The policy makes the expectations for behaviour management explicit to ensure consistency of practice across the network of academies. The L.E.A.D. Academy Trust defines the policy expectation, but the responsibility for implementation of the policy rests with the Headteacher of each academy.
4. Underpinning our policy are the following principles:

Legislative Framework

- Behaviour in schools: advice for headteachers and school staff 2024
- Searching, screening and confiscation: advice for schools 2022
- The Equality Act 2010
- Keeping Children Safe in Education 2024
- Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement 2024
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school
- Special Educational Needs and Disability (SEND) Code of Practice.
- Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- DfE guidance explaining that academies should publish their behaviour policy and anti-bullying strategy

Procedures for behaviour management implemented by individual academies will be operated in a positive way, reflecting the Trust's underpinning principles and high expectations of all within the academy community.

All staff are responsible for promoting and establishing positive behaviour across Trust academies. It is important that all staff are consistent and proactive in rewarding good behaviour, and in dealing with unacceptable behaviour.

Academy Expectations

The Trust expects each academy to:

- Have a whole-school behaviour policy (model policy attached) which details its approach to behaviour management. The academy behaviour policy should include detail on the following:
 - Purpose – including the underlying objectives of the policy, and how it creates a safe environment in which all pupils can learn and reach their full potential;
 - Leadership and management – including the role of designated staff and leaders, any systems used, the resources allocated and engagement of governors;
 - Academy systems and social norms – including rules, routines, and consequence systems;
 - Staff induction, development and support – including regular training for staff on behaviour;
 - Pupil transition – including induction and re-induction into behaviour systems, rules, and routines;
 - Pupil support – including the roles and responsibilities of designated staff and the support provided to pupils with SEND where those needs might affect behaviour;
 - Child-on-child abuse – including measures to prevent child-on-child abuse and the response to incidents of such abuse; and
 - Banned items – a list of items which are banned by the academy and for which a search can be made
- Include staff in reviewing and contributing towards behaviour policy formation
- Involve pupils in the creation and review of academy codes of conduct
- Provide a purposeful learning environment conducive to promoting high standards of pupil conduct and positive attitudes to learning
- Involve parents/carers by communicating well to seek their support
- Make positive recognitions of pupil achievement
- Ensure that if things go wrong, pupils are given the opportunity to put things right.

The Trust expects each Academy Governing Body (AGB) to provide clear guidance to its academy relating to:

- Screening and searching pupils (including identifying in the academy items which are banned and which may be searched for);
- The power to use reasonable force or make other physical contact;
- The power to discipline beyond the school gate;
- Pastoral care for academy staff accused of misconduct; and
- When a multi-agency assessment should be considered for pupils who display continuous disruptive behaviour.

Each academy, in order to instil good behaviour, should therefore:

- Provide an environment conducive to effective learning for all pupils and staff
- Raise and promote self-esteem in all members of the academy community
- Promote consideration and respect for others and the academy environment
- Encourage a shared responsibility between home and the academy

-
- Define what constitutes acceptable and unacceptable behaviour
 - Provide guidance for staff, pupils and parents, enabling everyone to know what is expected of them.

Positive recognition motivates pupils to observe the rules. Whilst consistently dealing with disruptive behaviour, teachers are expected to focus positively on pupils who are behaving well, ensuring that praise is well utilised in classrooms and around the academy site. If this strategy is used consistently, it will have the following effects:

- Encourage all pupils to behave appropriately
- Increase pupil self-esteem, self-confidence and reflectiveness
- Dramatically reduce behaviour problems and confrontational situations
- Create a positive classroom environment for both pupil and class teacher
- Help to teach behaviour and establish positive relationships.

Consequences

In addition to positive recognition, there must be systems for dealing with disruptive behaviour when pupils choose not to follow the rules. Systems should have staged interventions with a clear scale of escalation to cope with repetition. It is important that this staged intervention is designed to allow all pupils the opportunity to choose to change his/her behaviour within an identified framework.

The Trust expects each academy to record both positive recognition and consequences.

When a pupil is experiencing difficulties with behaviour and normal classroom sanctions have not worked, the Trust expects the Headteacher to initiate a clear plan of support. Examples may include:

- Behaviour plans
- Pastoral Support Programmes (PSPs) if pupils are at risk of suspension or exclusion
- Use of alternative provision (AP)
- A referral to local partners and external agencies may also be considered if it is felt that there are other issues affecting the pupil's behaviour that could be better addressed through a multi-agency approach. Where a school has serious concerns about a pupil's behaviour, it should consider whether a multi-agency assessment such as an early help assessment or statutory assessment that goes beyond the pupil's educational needs is required. See [Working Together](#)

Outside agencies may include:

- School nurse
- Educational psychologist
- Police
- Family doctor
- CAMHS
- Behaviour support team
- Speech therapist
- Visual impairment services
- Families Information Service/ ASK US (formally parent partnership)
- Attendance Support Team (formally EWO)

Suspension and Exclusion

Ultimately, a pupil who does not behave in accordance with the standards set may be suspended for a fixed term, or may be permanently excluded from the academy. Situations where suspension or exclusion may be

considered include violent assault on another pupil or an adult, inappropriate sexual behaviour, verbal abuse/threatening behaviour against a pupil or an adult, bullying, racial abuse, drug or alcohol related offences or persistent disruptive behaviour. (See Suspension and Permanent Exclusion Policy).

Equality Statement

The L.E.A.D. Academy Trust is committed to applying the equality duty in all academies across all phases. It is the responsibility of all staff, leaders, trustees and governors to have due regard to the need to eliminate unlawful discrimination, to advance equality of opportunity, and to foster good relations between people.

Safeguarding

L.E.A.D. Academy Trust recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. As a result, we expect each academy to consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, the academy is expected to follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Bullying

L.E.A.D. Academy Trust is committed to promoting an anti-bullying/harassment ethos, where bullying and harassment are not tolerated. The Trust takes issues of bullying/harassment seriously and enables all members of the Trust's community to challenge bullying behaviour in order that a supportive, cooperative ethos is maintained. Bullying, especially if left unaddressed, can have a devastating effect on individuals.

Monitoring, Evaluation and Review

In order to determine the effectiveness of a policy, the Trust will monitor and evaluate its impact. This will be achieved by:

- Analysis of data
- The AGB, via the SEND Link Governor, annually reviewing progress made and the effectiveness of the policy in their academy
- Trust Board scrutiny of suspension and exclusion data
- Quality Assurance (QA) visits made by Directors of Schools.

Pupils

29. Pupils will be made aware of the following during their induction into the behaviour culture:
- The expected standard of behaviour they should be displaying at academy.
 - That they have a duty to follow the behaviour policy.
 - The academy's key rules and routines.
 - The rewards they can earn for meeting the behaviour standard, and the consequences they will face if they don't meet the standard.
 - The pastoral support that is available to them to help them meet the behavioural standards.
30. Pupils will be supported to meet the behaviour standards and will be provided with explicit teaching on attitudes and dispositions for learning and will be supported to develop an understanding of the academy's behaviour policy and wider culture.
31. At timely points, pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Our Behaviour curriculum

- ~~32. At The Birley Academy, strong behaviour systems are pivotal to achieving what we expect to see in~~

our classrooms. Our aim is for all lessons to be free from disruption. For behaviour in lessons, we expect:

- Teachers to know their pupils and their learning needs well.
- Pupils to be happy and secure, and able to experience a sense of achievement every day.
- The curriculum to be ambitious.
- Teachers plan and deliver well planned lessons.
- All staff to explicitly teach attitudes to learning.
- Use of positive framing.
- Recognition of achievement in all senses and reward.
- A culture of high expectation.
- That everyone is included, and all needs are met.
- That the environment is well organised, inviting and stimulating.
- Behaviour standards to be high, with any inappropriate behaviour being dealt with effectively.
- Routines are simple and consistently used.

33. It is, however, not just about behaviour in our classrooms. We expect positive behaviour at all points of the school day. For behaviour outside of lessons, we expect all learners to:

- Be proud to be part of their community and treat everyone with respect.
- Be courteous and respectful.
- Engage positively with everyone within the academy community.
- Walk calmly but purposefully around the school following the movement structures that have implemented, respecting other people's physical space.
- Talk politely using developed language and not shout out.
- Actively engage with staff and visitors- good morning and good afternoon is the standard response that should be expected.

34. Where appropriate and reasonable, adjustments may be made to routines to ensure all pupils can meet behavioural expectations in the curriculum.

Mobile Phones

35. At The Birley Academy we want pupils to enjoy their education without the distraction of phones and similar electronic devices. Alongside this we believe our safeguarding measures can be applied much more effectively without phones or similar electronic devices. Therefore, the rules are:

- Phones and similar electronic devices are not to be seen, heard or used at school. They should always be switched off and out of sight during academy hours.
- If a member of staff becomes aware of a phone or any other electronic devices they will be confiscated, without a warning, regardless of whether they are in use or not.
- Earphones must not be used on academy premises or grounds and must be kept out of sight. They will be confiscated if seen. The device which the earphones are connected to will also be confiscated.

36. Parents will be expected to collect confiscated phones.

Responding to Behaviour Systems to manage Behaviour.

37. Behaviour incidents and sanctions are logged and monitored through our Class Charts. Class Charts is used to track behaviour patterns and incidents to support strategic intervention and reporting.

Classroom Management

38. We expect all lessons to be calm and extremely purposeful. Children and young adults will be highly engaged and have a thirst for learning. There will be true working partnership and collaboration. Our aim is for all lessons to be free from disruption.

Responding to good behaviour

39. When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the academy's culture and ethos.
40. Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the academy's behaviour culture.
41. Positive behaviour will be rewarded with:
- Verbal praise
 - Rewards points accumulating to result in threshold badges being awarded
 - Rewards shop (rewards points as currency)
 - Communicating praise to parents via Class Charts
 - Certificates, prize ceremonies or special assemblies
 - Positions of responsibility, such as ambassador status or being entrusted with a particular decision or project.
 - Whole-class or year group rewards, such as a popular activity

Responding to poor behaviour

42. When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.
43. Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.
44. De-escalation techniques will be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.
45. All pupils will be treated equally under the policy, with any factors that contributed to the behavioural incident identified and considered.
-

46. When issuing behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.
47. The academy may use one or more of the following sanctions in response to unacceptable behaviour:
- A verbal reprimand and reminder of the expectations of behaviour
 - Setting of written tasks such as an account of their behaviour
 - Expecting work to be completed at home, or at break or lunchtime.
 - Detention at break or lunchtime, or after school
 - Loss of privileges
 - Referring the pupil to a senior member of staff
 - Removing the pupil from the class
 - Letter or phone call home to parents
 - Agreeing a behaviour contract
 - Putting a pupil 'on report'
 - Removal of the pupil from the classroom
 - Urgent Off Site Directions (these are used in line with DfE guidance and the pupil is placed on roll as a dual registration at the receiving school)
 - Extended Off Site Direction (these are used in line with DfE guidance and the pupil is placed on roll as a dual registration at the receiving school)
 - Suspension
 - Permanent exclusion, in the most serious of circumstances
48. Personal circumstances of the pupil will be considered when choosing sanctions. Decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

Responding to Bullying

49. Procedures
- Pupils should report bullying incidents to a member of staff or someone who they can trust.
 - Parents reporting any bullying incidents must use the attached form – also available in the school office.
 - In cases of bullying, the incidents will be recorded by staff on Go 4 Schools and addressed initially by the form tutor, followed by the following individuals if an incident is not then resolved Deputy and Head of Year, Senior Leadership Team and ultimately the Headteacher.
 - In cases of bullying, parents of the pupils accused of bullying will be informed and will, as necessary be asked to come in for a meeting to discuss the issue.
 - Updates will be given to parents reporting bullying in a timely manner.
 - The academy accepts that any child could display bullying behaviour, and our approach is to help those doing so to change their behaviour.
 - If necessary and appropriate, external agencies will be consulted to provide support.
-

Outcomes

- The child displaying bullying behaviour will be asked to genuinely apologise. Other consequences such as an apology letter or a written contract may be required.
- The academy will seek to sort out differences and encourage the pupils to reconcile.
- In serious cases, suspension or even exclusion may be considered.
- After the incident / incidents have been investigated and dealt with, each case will be monitored by pastoral staff to ensure that bullying does not continue to take place and that the incident/incidents themselves will be considered closed. The academy strongly believes that all children can be bullied or bully and as such, once an issue has been addressed, all parties should be allowed to move on from the issue at hand.

Prevention

50. We will use various methods for helping children to prevent bullying. This will include:
- Having a listening and caring ethos
 - Encouraging discussion and avoiding premature assumptions
 - Adopting a problem-solving approach
 - Exploring issues through the curriculum by PSHE, assemblies and anti-bullying week.
 - Supporting the bully and the victim in modifying behaviour
 - Providing information through notice boards and posters
 - Where cyberbullying is concerned, educating and engaging parents on the principles of online safety so they know the dangers of what unsupervised internet access can create.
 - Encouraging parents to check what their children are doing online and using parental controls on their computer so that they are comfortable that children are not wandering into dangerous territory.
51. The anti-bullying policy works alongside the behaviour policy. This is discussed with pupils, so they are informed of the procedures.

Reasonable Force

52. Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:
- Causing disorder
 - Hurting themselves or others
 - Damaging property
 - Committing an offence
-

53. Incidents of reasonable force must:
- Always be used as a last resort.
 - Be applied using the minimum amount of force and for the minimum amount of time possible.
 - Be used in a way that maintains the safety and dignity of all concerned.
 - Never be used as a form of punishment.
 - Be recorded.
 - Reported to parents.
54. When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs and/or medical conditions.
55. When ever the need for the reasonable force has been used, staff will complete a form which outlines the antecedents, strategies used to de-escalate, and the successfulness of these strategies. It will also outline the techniques used in restrictive physical intervention, and the subsequent management of the pupil and staff member.

Searching, Screening and Confiscation

56. Any prohibited items (listed in section 3) found in a pupil's possession will be confiscated. These items will not be returned to the pupil.
57. We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.
58. Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

Off-site Misbehaviour

59. Sanctions may be applied where a pupil has misbehaved off-site when representing the academy. This means misbehaviour when the pupil is:
- Taking part in any academy-organised or academy-related activity (e.g. trips)
 - Travelling to or from the academy
 - Wearing academy uniform
 - In any other way identifiable as a pupil of our academy
60. Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:
- Could have repercussions for the orderly running of the academy.
 - Poses a threat to another pupil,
 - Could adversely affect the reputation of the academy.

Online Misbehaviour

61. The academy can issue behaviour sanctions to pupils for online misbehaviour when:
-

- It poses a threat or causes harm to another pupil.
- It could have repercussions for the orderly running of the academy.
- It adversely affects the reputation of the academy.
- The pupil is identifiable as a member of the academy.

Suspected Criminal Behaviour

62. If a pupil is suspected of criminal behaviour, the academy will make an initial assessment of whether to report the incident to the police.
63. When establishing the facts, the academy will endeavour to preserve any relevant evidence to hand over to the police.
64. If a decision is made to report the matter to the police, the Headteacher or the next most senior member of the senior leadership team will make the report.
65. The academy will not interfere with any police action taken. However, the academy may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with any police action.
66. If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, where appropriate.

Zero-tolerance approach to Sexual Harassment and Sexual Violence

67. The academy will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.
 68. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.
 69. The academy's response will be:
 - Proportionate
 - Considered
 - Supportive
 - Decided on a case-by-case basis.
 70. The academy has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:
 - Responding to a report
 - Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally.
 - Refer to early help.
 - Refer to children's social care.
 - Report to the police
 71. Please refer to our child protection and safeguarding policy for more information.
-

Malicious Allegations

72. Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the pupil in accordance with this policy.
73. Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the pupil in accordance with this policy.
74. In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the academy (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
75. The academy will also consider the pastoral needs of staff and pupils accused of misconduct.
76. Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

Serious Sanctions Detention

77. Pupils can be given detentions that take place before school, during break or lunch, or after school during term time.
78. For morning or afterschool detentions, the academy will notify parents using the Go 4 School app.
79. When imposing a detention, the academy will consider whether doing so would:
 - Compromise the pupil's safety.
 - Conflict with a medical appointment (Parents to inform school of medical appointments in advance)
 - Prevent the pupil from getting home safely.

Removal from Classrooms

80. In response to serious or persistent breaches of this policy, the academy may decide to remove the pupil from the classroom for a limited time.
 81. Pupils who have been removed will continue to receive education under the supervision of a member of staff that is meaningful, but it may differ slightly from the mainstream curriculum for this short period of time.
 82. Removal from the classroom is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.
 83. Removal can be used to:
 - Restore order if the pupil is being unreasonably disruptive.
 - Maintain the safety of all pupils.
 - Allow the disruptive pupil to continue their learning in a managed environment.
-

- Allow the disruptive pupil to regain calm in a safe space.
- 84. Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.
- 85. Pupils should be reintegrated into the classroom as soon as appropriate and safe to do so. The academy will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.
- 86. Parents will be informed on the same day that their child is removed from the classroom.
- 87. The academy may consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:
 - Meetings with Deputy Head of Year
 - Use of teaching assistants
 - Improvement reports
 - Long term behaviour plans
 - Pupil support units
 - Multi-agency assessment
- 88. Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the pupil in the behaviour log.

Suspension and Permanent Exclusions

- 89. The academy can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour, which has not improved following in-school sanctions and interventions.
- 90. The decision to suspend or exclude will be made by the headteacher and only as a last resort.
- 91. Please refer to our suspensions and exclusions policy for more information.

Responding to Misbehaviour from Pupils with SEND

Recognising the Impact of SEND on Behaviour

- 92. The academy recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).
 - 93. When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.
 - 94. When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the academy will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:
 - Taking reasonable steps to avoid causing any substantial disadvantage to a disabled pupil caused by the academy's policies or practices (Equality Act 2010)
 - Using our best endeavours to meet the needs of pupils with SEND (Children and Families Act 2014)
 - If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the academy must co-operate with the local authority and other appropriate bodies.
-

-
95. As part of meeting these duties, the academy will anticipate, as far as possible, likely triggers of misbehaviour, and put in place support to prevent these from occurring.
96. Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.
97. Set out your approach to anticipating and removing triggers of misbehaviour below. Your approach may include examples such as:
- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long.
 - Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher.
 - Training for staff in understanding conditions such as autism.
 - Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload.

Adapting Sanctions for Pupils with SEND

98. When considering a behavioural sanction for a pupil with SEND, the academy will ask the following questions:
- Whether the pupil was unable to understand the rule or instruction?
 - Whether the pupil was unable to act differently at the time as a result of their SEND?
 - Whether the pupil is likely to behave aggressively due to their SEND?
99. If the answer to any of these questions is yes, the academy will assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

Considering whether a pupil displaying challenging behaviour may have unidentified SEND

100. The academy's special educational needs co-ordinator (SENDCo) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.
101. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.
102. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Pupils with an Education, Health and Care (EHC) Plan

103. The provisions set out in the EHC plan must be secured and the academy will co-operate with the local authority and other bodies.
104. If the academy has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the issue. If appropriate, the academy may request an emergency review of the EHC plan.

Supporting pupils following a sanction

-
105. Following a sanction, the academy will consider strategies to help pupils to understand how to improve their behaviour and meet the expectations of the academy.
106. Our strategy for reintegrating pupils following removal from the classroom, time spent in a pupil support unit, in another setting under off-site direction or following suspension.
107. This could include measures like:
- Reintegration meetings
 - Daily contact with Deputy Head / Head of Year
 - An improvement report run through Class Charts

Safeguarding

108. The academy recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.
109. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.
110. Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.
111. Please refer to our child protection and safeguarding policy for more information.

Pupil Transition

Inducting Incoming Pupils

112. The academy will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider academy culture.

Preparing outgoing pupils for transition

113. To ensure a smooth transition to the next year, pupils will have transition sessions with their new teacher(s). In addition, staff members hold transition meetings to ensure that all information and strategies used to support a pupil are passed on.
114. To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

Training

115. As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:
- De-escalation techniques.
 - Classroom behaviour management – Routines.
 - The needs of the pupils at the academy.
 - How SEND and mental health needs impact behaviour.

116. Behaviour management will also form part of continuing professional development.

Monitoring and Evaluating Academy Behaviour

117. The academy will collect data on the following:

- Behavioural incidents, including removal from the classroom.
- Attendance, permanent exclusion and suspension.
- Use of pupil support units, off-site directions and managed moves.
- Incidents of searching, screening and confiscation.
- Anonymous surveys for staff, pupils, governors and other stakeholders on their perceptions and experiences of the academy behaviour culture.

118. The data will be analysed every two weeks by the Assistant Headteacher and will be analysed from a variety of perspectives including. This includes:

- At academy level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic
- By distinct pupil group characteristics, e.g. prior attainment, phase of schooling, disadvantage

119. The academy will use the results of this analysis to make sure it is meeting its duties under the Public Sector Equality Duty.

Monitoring this Policy

120. This behaviour policy will be reviewed by the headteacher and the AGB at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the headteacher.
