

The Birley Academy

Transition Key Dates Summer 2020

The ongoing uncertainty around Covid-19 has presented us with a number of challenges not only at school but in all of our lives. Sadly, due to these uncertain times we will not be able to provide our traditional transition programme for our new students ahead of the next academic year. We will be doing our best to reassure you as parents and give the students a valuable insight into our school.

Below is a timeline of when certain information will be made available to you ahead of September. If you have any specific enquiries please don't hesitate to email:

Transition@BirleySecondaryAcademy.co.uk
