

Birley Community College

Years 10 and 11

Lunchtime and After College
Enrichment Activities/
Revision Sessions
September 2015 to December 2015

We hope that you will find some of these activities and revision/coursework sessions of interest and use. Remember that there is a great deal of evidence to prove that taking part in such opportunities improves students' confidence, achievement and examination results.

Many of these activities and revision/coursework sessions have already started, but you are welcome to turn up to the sessions you have chosen and give your name to the person taking charge. If you are unsure which member of staff this is, then please check with either your Personal Tutor or Student Services.

As the year progresses some activities will finish and new ones will be available, in particular the PE Department activities are seasonal.

ACTIVITIES

WHEN	WHAT	WHERE	TIME	STAFF
