Safeguarding

Please remember we are here for you if you need us.

Students and parents/carers can also find the report a concern button on the school website.

This button is purely for safeguarding issues. If you have any questions about work please contact your child's teacher directly

Emotional Wellbeing

At this time, it is important to remember to be kind to ourselves and take care of our emotional well-being. There are a number of resources on the school website. These can be found under the school closure tab.

Please find some useful links to websites that also support wellbeing:

PPE Update

As you may have seen on our Twitter and Facebook accounts our dedicated staff have been supporting our NHS and key workers by providing PPE by making visors.

The DT department have made and distributed over 400 visors since the school closure. So far they have delivered visors to:

Mansfield View Supported Living
Laurel and Limes Care Home
Cotleigh Residential Home
Darnell Grange Care Home
Charnock Doctors
Chatsworth Grange Nursing Home
Brackenfield Care Home
Charter Row Homeless Shelter
Seven Hills Care Home
White Rose Care Home
Aaron House Care Home
Chesterfield Hospital
Salvation Army Homeless Shelter

We have also been privileged to take part in a city wide effort to provide scrubs across the city. These scrubs are being made by a team of around 30 people from various settings and distributed across the city by a number of volunteers. More than 300 scrubs have been distributed across the city and our staff at The Birley Academy are proud to be part of this city wide team effort.
