## WOULD YOU LIKE TO TRY SOMETHING DIFFERENT?

### From 1<sup>st</sup> July

This is a virtual code breaking challenge. This challenge will allow you to combine your code breaking skills and enjoy some exercise at the same time. You have to try and cover 50 miles and crack codes at the same time. There are 3 different levels and you have one month to complete the challenge. If you are interested in taking part contact Miss Thomas at school and we will arrange paying the cost of the £10 entry fee.

### Emotional Wellbeing

At this time, it is important to remember to be kind to ourselves and take care of our emotional well-being. There are a number of resources on the school website. These can be found under the school closure tab.
