

SOCIAL MEDIA UPDATE

Over the past week our parents have been sharing all the hard work taking place at home. These have ranged from using the online resources on the academy's website to life skills lessons. In this newsletter we would like to share some of the good work that is taking place with you.

Life skills in action

Our students have been taking part in different life skills activities such as cooking, baking, using the washing machine, learning to change a plug plus many more. Here is just a small selection of the activities students have completed.

School Work

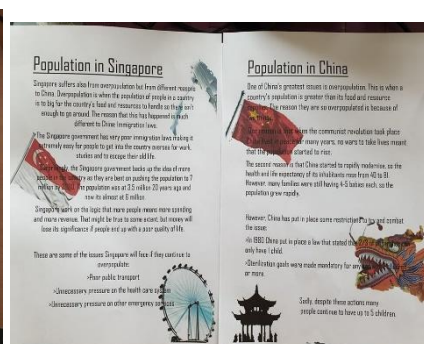

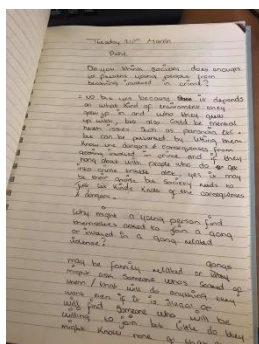

We've had many questions from our parents concerning school and the top tip that has come from them is "plan your day but don't feel you have to spend the whole day sat at a desk – learning at home comes in many different forms."

Tassomai Top Scorers

Y10 – Megan Lee, Kayelei West, Lucy Fields and Izzy Kitson

Y11 – Reece Burgess, Anya Bridges, Ronnie-Scott Jennings and Mason Jones

We have seen our students complete work from all areas of the curriculum over the past week. We have also seen a variety of timetables and plans put into place including students taking part in daily fitness.

PARENT UPDATE

On behalf of all of us at The Birley Academy we would like to thank you for all your hard work over the past week. We would like to update on a number of resources that will be on our website ready to be accessed after the Easter holidays (Tuesday 14th April).

Website resources

The school website is up and running and all online resources can be accessed under the Home Learning tab. All subjects have resources for both Key stages 3 and 4.

As of Friday 27th March the following subject areas have updated their resources further:

- Year 10 PE
- Year 10 History
- Year 8 and 9 Geography

Next week there will be updates to English, Maths, Science, French, Spanish (Y11 only), History and Geography across Key stages 3 and 4. These updates will be under the home learning tab but they will all have the title Pixl so you can identify them e.g. Maths – KS3 Pixl

Maths – KS4 Pixl

English – KS3 Pixl

If any families are struggling to access the online material parents can collect paper based work from the school reception between 9am and 3pm.

If students have any questions for their teachers, please use the teacher contact timetable which is also on the website. Staff emails have already been posted out but if you have problems contacting any members of staff please don't hesitate to contact us and we will assist you.

Facebook and Twitter

Please feel free to follow all the amazing work that is happening on the following social media sites:

@birleyacademy

@birleyhead

The Official Birley Academy Group

Please remember if you would like to join the Facebook group you will need to provide the name and school year of your child/children.
