

Dear Parent/ Carer,

Firstly, we want to thank you for the lovely messages of support you have given us over the last few weeks. These are difficult times and the feedback via email, Facebook and Twitter has been overwhelmingly positive and greatly appreciated by our staff.

It is our aim during this difficult time to provide your child with good quality learning opportunities that help them keep to a routine. Therefore, we are looking to gain some feedback from you as parents/carers on the work that we have provided so far. Your responses will help guide and shape our improvements to home schooling tasks moving forward.

We would greatly appreciate if you could take a few minutes to give some feedback. Please could you complete the short survey using the following link. The survey will close at **1:00pm on Tuesday 28th April**:

Attached with this email is a spreadsheet which provides you with an overview of learning that has been set on the school website. Work on the website can be found in 2 main areas – the *Home Learning* tab and the *School Closure* tab. Can I also point out that Year 11 learning can be found in 2 main areas under the Home Learning tab – within *subject folders* and within the *Pre A-Level learning* folder.

I would like to take this opportunity to thank you in advance for your support.

Yours sincerely
