

The Birley Academy Year 7 Weekly

Student Bulletin

Hello Year 7, Parents and Carers,

I hope you are all well and staying safe. We have seen a change in the weather this week, which means I have had to do some jobs inside that I have been putting off. I have now got a tidy spare room and no ironing pile!

I would love to hear what you have all been up to, so please keep them emails coming in. Max Wilkinson has been writing letters to people isolated in hospital with no visitors. I am sure you will agree that this is an excellent idea, well done Max!

If you would like to get involved in a similar idea here is the link.

<https://www.ageuk.org.uk/sheffield/get-involved/gift-a-smile/>

Just for fun

Do any of us really know the people we live with? I googled 100 questions to ask my Son about himself. The results were surprising.

Here is the link below:

<https://www.signupgenius.com/groups/getting-to-know-you-questions.cfm>

I would like you to ask the person/people who you live with to find out more about them, there will be things that you never knew! Hope you have fun doing this with your family and learning new things about them.

Stay safe

Teacher Messages

Hi Year 7

Hope you are all staying safe and well in these unusual times! Please make sure you are doing as much work as you can so you don't fall behind, being helpful at home, and getting plenty of exercise!! Try do something different every day so it doesn't get boring- I have been trying to get better at baking. If you get really bored, just let me know and I'll think of lots more work for you to do 😊

Missing you all lots, take care
Mrs Godbehere x

Hello Year 7.

I hope you're all keeping safe, looking after yourselves and enjoying some time with the family. Please make sure you keep up with the school work as we will hit the ground running as soon as we come back but most importantly at the moment is that you're safe and well. You know that Mr Bradley and I love a joke and tell them to you every Tuesday morning in assembly. So I want you to think of, or find the funniest joke, and either save it for when we are back to school or email both of us to make us laugh. Here is my effort...

"Where does a dog go when it loses its tail?"

"The retail store"

That is funny, admit it... you laughed.

Anyway Year 7 I best be off and start some work from home, we really miss you all and especially 7A but we will be back to normal soon.

Stay safe and look after yourselves.

Mr Gillett
