

# The Birley Academy Year 7 Weekly

## Student Bulletin

Hello Year 7 Students, Parents and Carers,

Hope you are all well and staying safe.

I have had to keep myself busy this week as I am missing my friends, family and year 7s dearly. I have made a cornflake tart and chocolate muffins, planted some seeds in my greenhouse and taken Amber on some lovely walks. I hope you are all finding things to do as well as persevering with your schoolwork.

Well done to Evie Bradford who has been helping her parents to make food hampers for families in need.

I am enjoying hearing what you have all been up to, please keep emailing in.

Hi everyone hope you are all well. I have been keeping busy teaching my sons and planning new lessons but have also had time to learn a few skills - I am currently learning to play the ukulele which is really hard.

I'm also doing things to make me feel happy and ready for each day by doing dance and fitness type workouts on youtube and finally lots of baking. I'm really missing everyone and hope to see you all soon.

Mrs Middleton

Bonjour Y7!

I hope you are all well and looking after yourselves and your families.

I also hope you are keeping up with your school work and making time to learn new things.

I really miss teaching you all and seeing your (sometimes!) smiley faces in the morning - big shout out to 7E!

Here I am on one of my daily walks, don't forget to stay active!

And finally, here is a link to a French song that I like - what do you think it is about? What do you think about it? Email me with your answers if you'd like! Enjoy.

Au revoir and stay safe,

Mr Murphy has set a quiz this week, the only clue I will give you is that they are all breeds of dogs. Please email me with your answers and I will reveal the correct ones next week.
