Typically attend college one day a week to complete your qualification

Learn on the job

Earn a wage

Apprenticeships +

Level	Typical entry requirements
Intermediate Apprenticeship	4 GCSEs of a minimum grade 3, including a minimum grade 3 in GCSE English Language and GCSE Maths
Advanced Apprenticeship	4 GCSEs of a minimum grade 4, including a minimum grade 4 in GCSE English Language and GCSE Maths

Top Tip:

You will need to find your own employer if you would like to study an apprenticeship, it's never too early to start looking!

Differences between School and College

Your classes may be spread out over the week, or you might find that your timetable is busier over 2 or 3 days leaving you with free time to study on the other days.

Unless there is a uniform required you can wear your own clothes as long as they're within the college dress code!

Whilst your tutors will help you, ultimately you are responsible for managing your workload and completing your assignments.

Whilst a lot of college students will be aged 16-19 there is no upper age limit.

College is your first chance to study a subject that is entirely your choice and something that you're passionate about.

Student experience

VI The
Sheffield
Sixth Form

"I chose The Sheffield College after being impressed by their Open Day and facilities. The Learning Resource Centre and dedicated Sixth Form area really stood out to me."

Raphael Nwose,
Former A Level student

The
Sheffield
College

"Completing this qualification ensured that I was able to progress onto a Degree in Nutrition."

Alex Toulson
Former Access to HE - Health Science student

"IT HAS BEEN A PLEASURE TO STUDY AT THE SHEFFIELD COLLEGE BECAUSE OF THE FANTASTIC TUTORS AND STAFF."

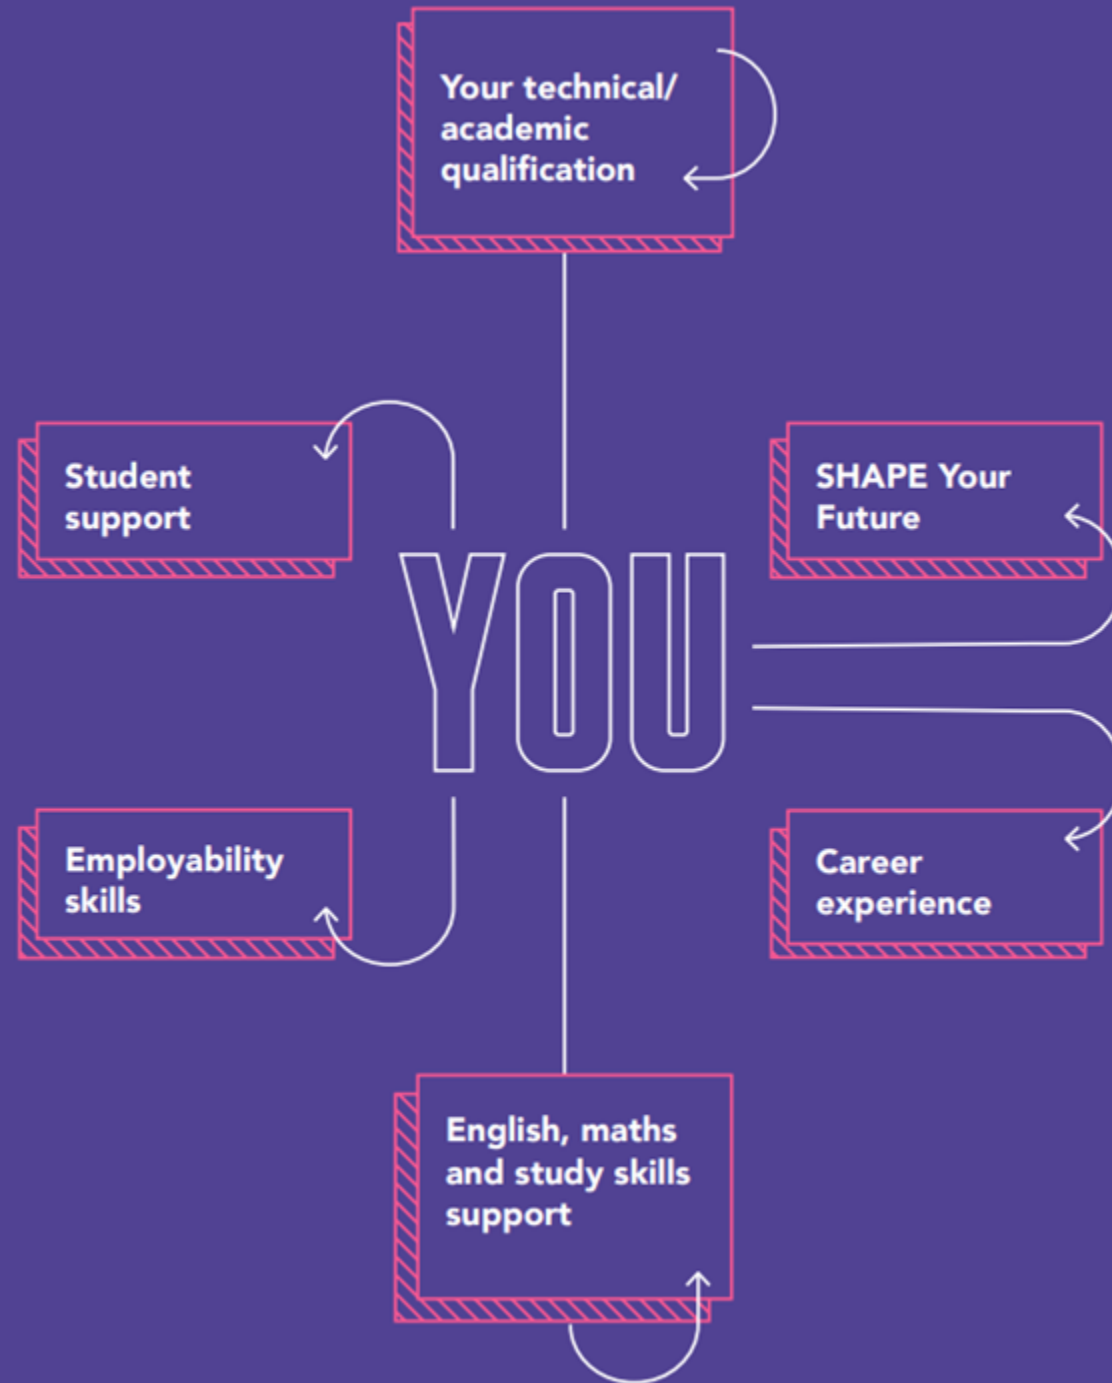

Julian Yuste
BTEC Level 3 Extended Diploma in Electrical & Electronic Engineering
Result D* D* D*

"I LOVED THE DIVERSITY IN THE CLASSROOM AND THE RANGE OF MODULES WE STUDIED."

Irene Muamba
Science Level 3
Result D*DD
