

Year 10

The World of Work

- To gain experience of the world of work.
- To describe how the world of work is changing and how this might impact on students' own careers.

Term 1:1	<p>Birley Pathways: Students will learn about what different careers they can get into for that particular subject at the end of each lesson.</p> <p>Trips and visits: Students will be given the opportunity to attend careers related trips where possible.</p> <p>Skillsbuilder Programme: Throughout tutor time and PSHE lessons, all students will be taught eight essential employability skills.</p>
Term 1:2	<p>PSHE Careers Lessons: Students start to learn about work experience, the expectations of them when at work, what getting a job involves and write their own CV's ready for when they apply for their placements.</p> <p>Careers assemblies and tutor time focus during National Careers Week</p>
Term 2:1	<p>Birley Pathways: Students will learn about what different careers they can get into for that particular subject at the end of each lesson.</p> <p>Trips and visits: Students will be given the opportunity to attend careers related trips where possible.</p>
Term 2:2	<p>HEPP Workshops: Students participate in workshops ran by the Higher Education Progression Partnership. The aim of this is to educate young people about what higher education involves, the routes they can get into it, what benefits it offers.</p>
Term 3:1	<p>Birley Pathways: Students will learn about what different careers they can get into for that particular subject at the end of each lesson.</p> <p>Trips and visits: Students will be given the opportunity to attend careers related trips where possible.</p> <p>A number of business came in and spoke to students on a carousel discussing their roles, what qualifications is needed.</p>
Term 3:2	<p>Work Experience: Students will participate in work experience for the last two weeks of Year 10. The placement is found and applied for independently.</p> <p>Xello Workshops: Students are taken into the ICT suites during form time and shown how to use the careers platform Xello. They will learn more about what careers suit them by completing a number of quizzes and research tasks.</p>
