### What is the DofE?

The DofE's a life-changing adventure you don't want to miss.

It's about going the extra mile – learning new skills for work and life, getting fitter, making a difference and broadening your horizons.

Millions of young people in the UK have already done their DofE since it was first started in 1956.

#### Now it's your turn.

### How do I choose my activities?

There's loads to choose from — most activities can count towards your DofE.

Maybe you want to try something new? Or get better at something you already do? Your DofE can be whatever you want it to be.

Activities for each section take a minimum of one hour a week over a set period of time, so they can fit in around your studies and life outside school.

### **Expedition**

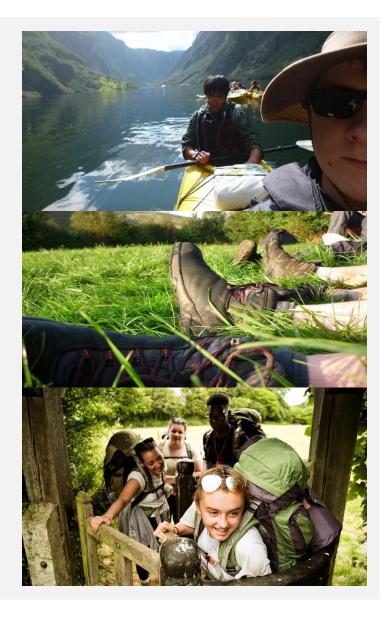

Getting into the great outdoors and spending a night away with your friends – your expedition will give you lifelong memories.

As part of a small team, you'll plan your aim, choose your location and do some training to make sure you're prepared and know what you're doing — then spend two days and one night away.

You can choose how you want to travel – it doesn't have to be on foot. You could do it by bike, canoe, kayak, wheelchair, sailing boat or even on a horse.

Your expedition will improve your resilience, communication, teamwork and leadership skills.

You'll come home with a rucksack full of washing — and an experience you won't forget.
