Dear KS3 Parent / Carer,

As a school we believe it is essential to involve parents / carers as much as possible in your child's learning. To support this aim we are hosting a Parents' Homework Information Evening on Wednesday 2<sup>nd</sup> November 5 – 6pm at the Academy.

The evening is intended to inform you about homework expectations and specifically show you how Sparx, Educake and Seneca work. These are the online packages that are used to set maths, English and science homework.

If you would like to attend please click on the link below and sign up.
