| Practical Art: Drawing | Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design. about great artists, architects and designers in history. | Pen/ pencil/ pencil crayon | Pen/ pencil/ pencil crayon Pastel/ charcoal/ chalk/ ink | Pen/ pencil/ pencil crayon/lino cutter | Wide range of media for drawing/ continuous line drawing on the sewing machine/ drawing in embroidery thread | "Sequencing for practice" |  |
|  |  | Pencil grip and posture Continuous line drawing for fluency and observational skills Drawing from observation Tonal variation/ contour shading Line, shape, tone, texture, form and pattern <br> Drawing shape using guidelines Mark making to show texture Thumbnail drawings | Identifying tonal variation and application <br> Adding tonal variation using crosshatching and lines Contour shading Drawing shape for accurate proportions Creating and using guidelines for accurate shape and proportion Mark making to show detail and texture Thumbnail drawings | Drawing from observation Applying drawing skills Range of techniques for recording tonal variation, stippling, crosshatching, scumbling Wide range of mark making Drawing layouts Using a grid to scale up a drawing. <br> Using a grid for accuracy in shape and proportion. | Continuous line drawing (including blind continuous line) in various media to show expression and detail. Drawing continuously using a sewing machine and thread. Drawing realism techniques, shadow, highlights, blending and lifting. <br> Using cotton buds to blend. Creating movement and texture through line. <br> Drawing to express and refine ideas. <br> Drawing to record process and technical information (exploded diagram). | Recording from observational still life. <br> Composition and layouts. Photography composition of still life. <br> Modifying photographs using digital media. <br> Creating a grid to use when scaling work up and accuracy of shape and proportion. <br> Drawing to express and refine ideas. <br> Drawing to plan and show process. | Drawing |
| Practical Art: Painting | mastery of art and design techniques, including painting | Poster Paint Watercolour | Poster paint Watercolour | Range of paints/watercolour/ poster paint/ | Watercolour/ poster paint/acrylic paint/ oil paint | Wide range of paints specific to students project/ watercolour/ acrylic/ poster paint/ oil |  |
|  |  | Posture and range of grips using paint brush. <br> Range of brushes and uses. Use of Palettes. <br> Cleaning palettes, care for paints. Paint mixing and application Colour theory and mixing in paint. <br> Mixing tints and shades | Exploring paint <br> Mixing and applying paint. <br> Colour theory and mixing colour in paint. <br> Range of application techniques, sponge, dabbing, swiping, twisting and flicking. <br> Dot painting using brush ends and cotton buds. <br> Paint used with mixed media. Painting onto airdrying clay. | Application of watercolour paint. Layering paint application. <br> Mixing tints and shades. <br> Applying tonal variation in paint. Mixing paint with other media. Colour theory and colour mixing. | Application of watercolour paint, layering and dripping. <br> Tints and shades. <br> Applying tonal variation. <br> Contour painting. <br> Painting with acrylic, blending, layering and drying. <br> Painting with oil paint, application with palette knives, blending, layering and drying. Painting surface texture. | Using painting skills developed over four years in application of independent work. | Painting |
| Practical Art: Sculpture | mastery of art and design techniques, including sculpture (e.g. clay) | Air drying clay | Air drying clay | Mod Roc/ papier mâché/ cardboard | Wide range of scul | ptural materials. |  |
|  |  | Features and properties of air drying clay in comparison to fired clay. <br> Manipulation of clay through a range of handling skills. <br> Using the thumb pot and pinch pot technique. <br> Using a range of clay tools to create texture and detail. Adding extensions, slip and scoring clay. <br> Stages of clay. <br> Surface texture including sgraffito. | Features and properties of air drying clay in comparison to fired clay. <br> Manipulation of clay through a range of handling skills. <br> Using the thumb pot and pinch pot technique. <br> Using a range of clay tools to create texture and detail. <br> Adding extensions, slip and scoring clay. <br> Stages of clay. <br> Surface texture including sgraffito. | Features of other sculptural materials. <br> Manipulation of paper to create 3D forms. <br> Applying papier mâché. Using and applying Mod Roc, including creating a smooth finish. <br> Using a range of tools to support sculpting. <br> Creating surface texture and detail in a 3D sculpture. <br> Painting and quality of finish. | Using sculpture skills develope project | in application of response to heme. | sculpture ceramics installation |
| Practical Art: Mixed Media | mastery of art and design techniques with a range of materials | Paint/pen/pencil crayon/wax resist | Paint/clay/ embellishment media/Indian ink/chalk/chalk pastels/charcoal/collage | Print making/lino/lino cutters | Textiles/embroidery thread/sewing machine/wide range of mixed media | Wide range of mixed media | mixed-media, including collage and assemblage printmaking moving image and photography |
|  |  | Properties of media. <br> Using media together to create mixed media. <br> Application skills and order of application. | Applying and attaching mixed media to a clay outcome. <br> Applying and blending chalk pastels using cotton buds and fingers. <br> Creating tonal variation in chalk pastels. | Features and properties of printing ink. <br> Mono printing, application of printing ink to a plate, creating a print and pulling a print. Transferring and image onto lino. Using a lino cutter safely. Creating a two colour lino print. | Transferring an image onto fabric. <br> Using a sewing machine for freehand embroidery safely. Use a range of hand stitch embroidery techniques. <br> Using mixed media skills developed over threes years in application of response to project theme. | Using mixed media skills developed over four years in application of response to project theme. |  |
| Artist study | great artists, architects and designers in history | Joel Penkman Wassily Kandinsky Hilma af Klint James DeRosso | Albrecht Durer Ron Muek Ernesto Hernandez Tim Burton | Andy Warhol Claes Oldenburg Pete McKee Sarah Graham Nigel Humphries | Pablo Picasso <br> Alison Kunath <br> Wide range of artists indepndently chosen, inspired by the theme of 'People'. | Wide range of artists indepndently chosen, inspired by the theme of 'Still Life'. AQA Component 2 suggested artists. | ideas, feelings and meanings conveyed and interpreted in images and artefacts |
| Artistic movements |  | Abstract art <br> Contemporary art <br> Contemporary sculpture <br> Post expressionism <br> Greek mythology | ```Gothic/ German expressionism Renaissance Contemporary sculpture Contemporary painting Aboriginal Art``` | $\begin{aligned} & \text { 1950s pop art } \\ & \text { Contemporary art } \end{aligned}$ | Historical and | contemporary | historical and contemporary developments and different styles and genres |

| Critical understanding: Productive | create sketch books to record observations and use them to review and revisit ideas | Keeping a sketchbook of work. <br> Developing personal style through range of opportunities and outcomes. Annotation to express ideas, evaluate work and analyse artists. |  |  | Apply style of Ideas inspired by Applying and Indepth research and an | /movement/culture. <br> ist/movement/culture. <br> oping personal style. <br> is of artist/movement/culture | recording experiences and observations research gathering, selecting and organising information |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Critical understanding: Receptive |  | Artist critiques. <br> Discussion on artists work. The purpose of art, including value and impact on everyday life. <br> Art as a means of communication. | Investigation skills Artist critiques Cultural festivals Storytelling in art | Artist critiques <br> Purpose of art in history. How art changes over time. | Analys <br> Context | artists work <br> y visit <br> nderstanding | independent <br> judgements images and artefacts relation to social, environmental, cultural and/or ethical contexts |
| End Points |  | Ice cream drawing <br> Colour theory paint application <br> Abstract painting <br> Clay monster sculpture | Mixed media skull observation <br> Clay skull <br> Pastel portrait <br> Aboriginal art painting <br> Aboriginal painting | Sweets Still Life <br> Lino printing <br> Pop portrait <br> Food sculpture <br> 3D food sculpture | Continuous line sewing mini project People project | Still life project AQA component 2 project |  |
